Yamparika

Noel

Best of luck Noel, you're a swell kid.
Robert Lyons

Have fun in life. I know you will -
Good luck
Bobby Lundberg

Noel -
Wishing you the best!
Keith

Best of luck
Lawrence Noel
Lamar Alec Clark

"Cue Head"

Well Old buddy
If we don't get that English test I'll be writing in here again next year
Roy Glen

Roy x

Dear Noel,
You're a swell boy
and lots of fun.
Best of luck always.
Doris Jean Dockery

Remember "Cleo"

NAME

Noel

Dockery

Noel,
I have really enjoyed being in your Eng. class this year.
Sally Jane

Bill James

Hi, Don't show off
Doris Jean Dockery
You're a swell girl
and I might get to visit Carolina.

Well Much Good luck to a good guy.
Bill '72

RESERVED FOR JAIMIE

It looks like this is the end of the line. It has been lots of fun and I have enjoyed every minute of it. I'll never forget it. We have had our up's and down's, in's and outs but I loved it all even if I did get pretty peeved at times, I imagine you did too though. I sure am glad I moved to Vernon 'cause look what I would have missed. I'll explain about "Slats" later. Well, this is the most wonderful year I have ever spent. I hope neither of us ever forget it. I know I won't

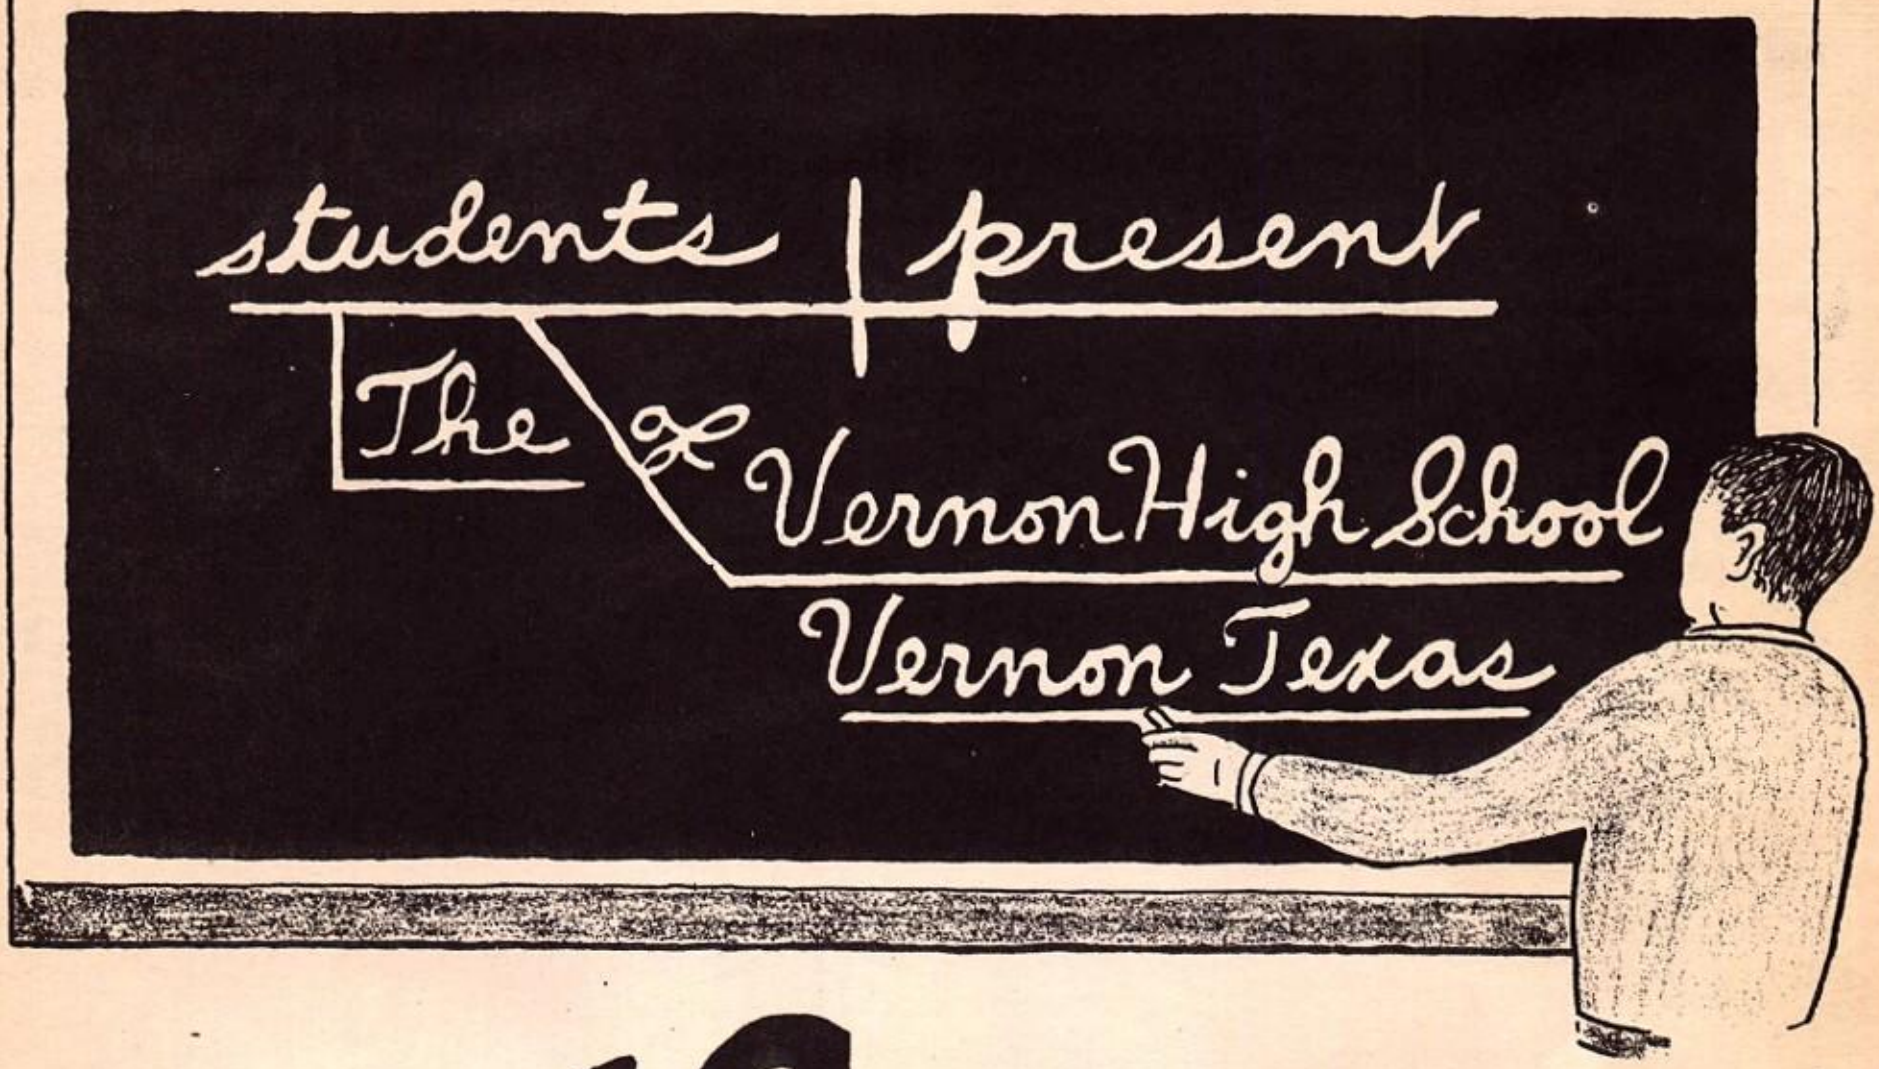
Love ya,
Jamie

Again.

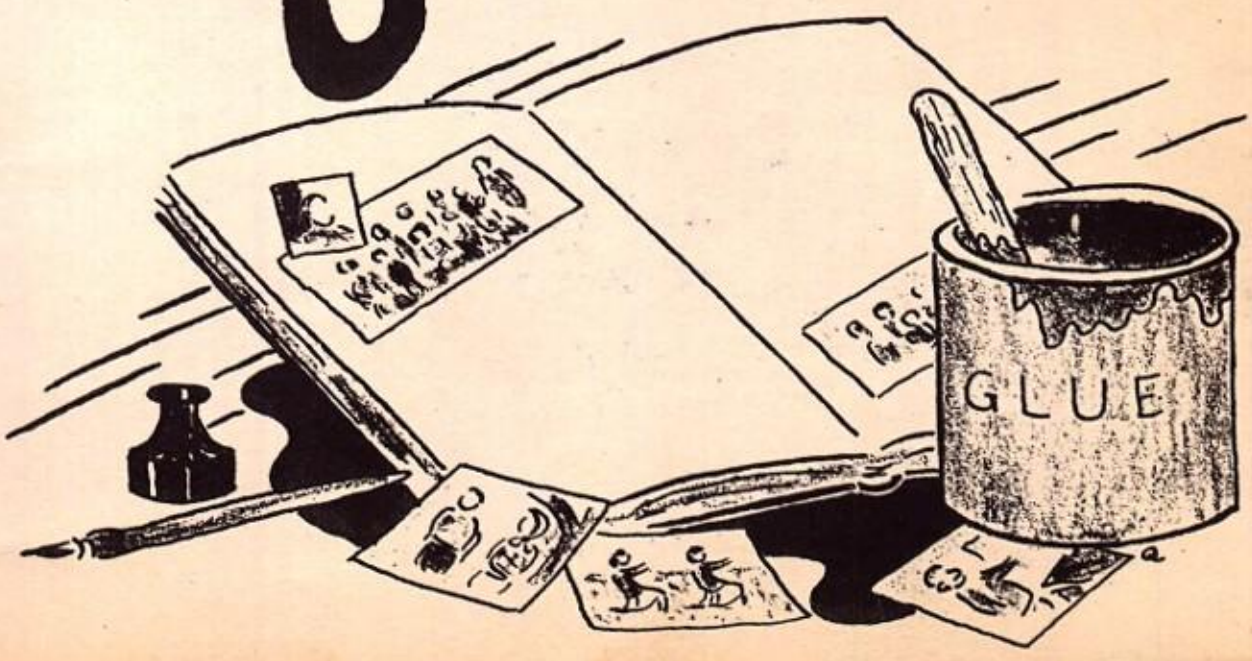
Noel:

Well, we're finally out of U.H.S.. Where do we go from here. We've had lots of fun together and I hope we have more. Best of luck always to the best Buddy a guy could have.

Jerry



1949 Yamparika



DEDICATION

This is our way of saying "Thank You" to a lady whose life among us as teacher and friend has won for her a place in the hearts of the students of Vernon High School.

Her service to us has not ended with the class room bell each day. We are grateful for those many, many extra hours she has given us in counsel, in coaching our plays and sponsoring our activities. She has always made us feel that each of us is an individual and that we can accept responsibilities when we are given the opportunity.

It is with a great deal of pleasure that we dedicate the pages of the 1949 Yamparika to Mrs. E. E. Powell.

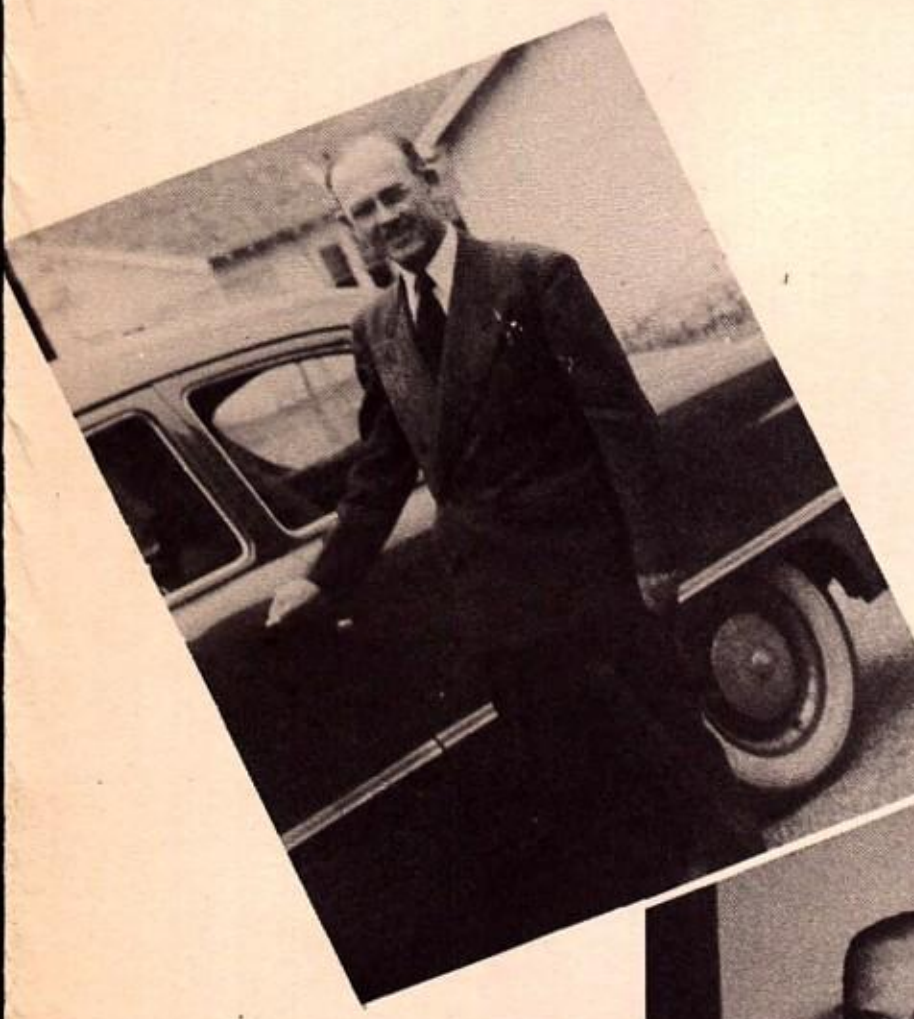
Administration

Perhaps the students don't know Mr. Dillihay, our superintendent, as well as the other members of the faculty, but they do know that he is efficient and always working diligently to keep things running smoothly.

Our school board is composed of a group of men that are school minded as well as civic minded looking out for the welfare and management of all school activities. We find them very efficient and capable in handling all of the matters that come their way.

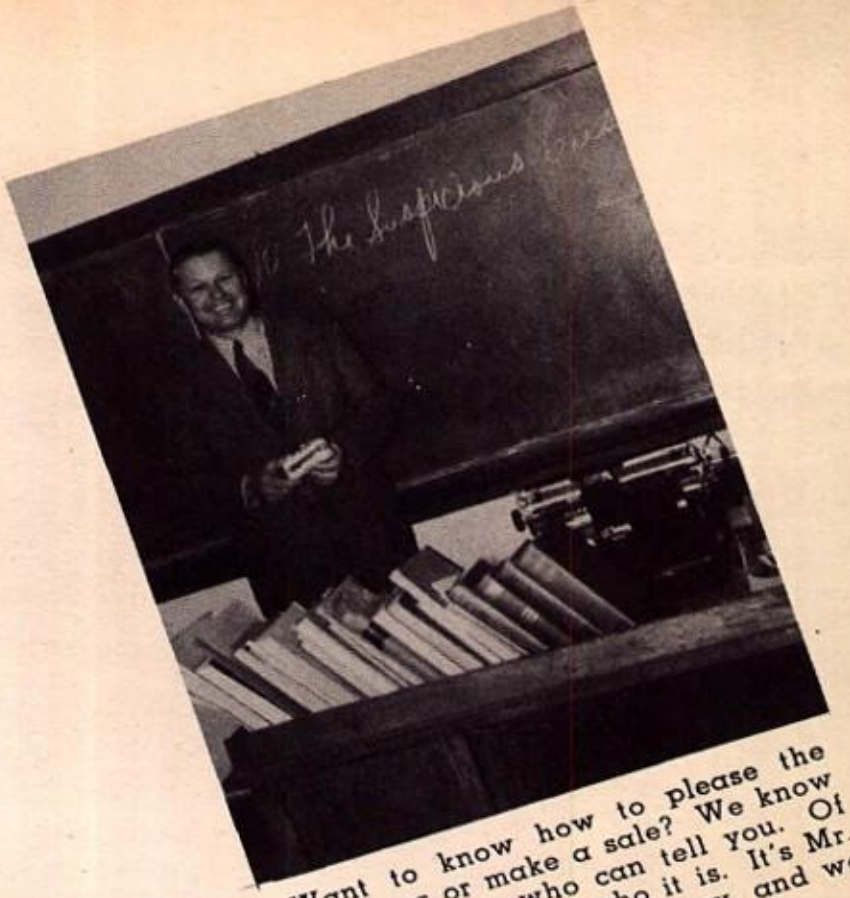
A. F. Winston, Pres.
C. V. King, Sec.
J. E. Teer
C. C. Hamm
J. N. Wright
R. A. Duke
G. B. Adams (not shown)
C. H. Dillehay, Supt. of Schools.

Of all the **wheels** in this school "Miss Liz" is just about the most essential. She is the beauty of the office, the holder of the money bags, and the "Dillehay - Fulton - Teams" right-hand man. Liz, we want you to know that you are greatly appreciated, and more than that, you are a friend to us all.



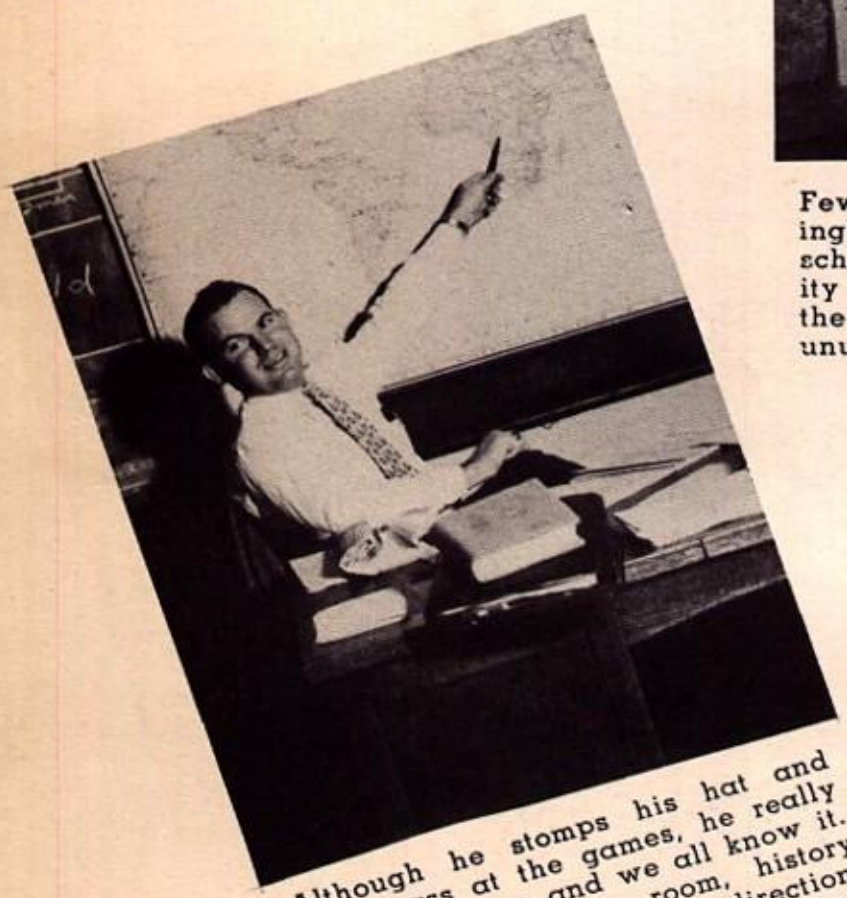
Now here's someone we all know. No, he isn't a teacher, but nevertheless we all know him. He is the guy that helped you out when you got your schedule in such a mess you thought you would never get it straightened out. Remember that day that you were so sick that you had to stay out of school and go to the show for recovery? W h o was waiting for you the next day with quite a bit to say? Why, it was Mr. Fulton, of course. Mr. Fulton, we may seem to be an un-appreciative bunch of kids, but we would like for you to know that we t h i n k you are the greatest guy that ever walked the halls of 'ole V. H. S.

Miss Baskin, a senior sponsor, has exactly what it takes to make the pupils love to go to English class: especially the boys. Take a look at her, and you'll know why . . . beauty and personality plus!

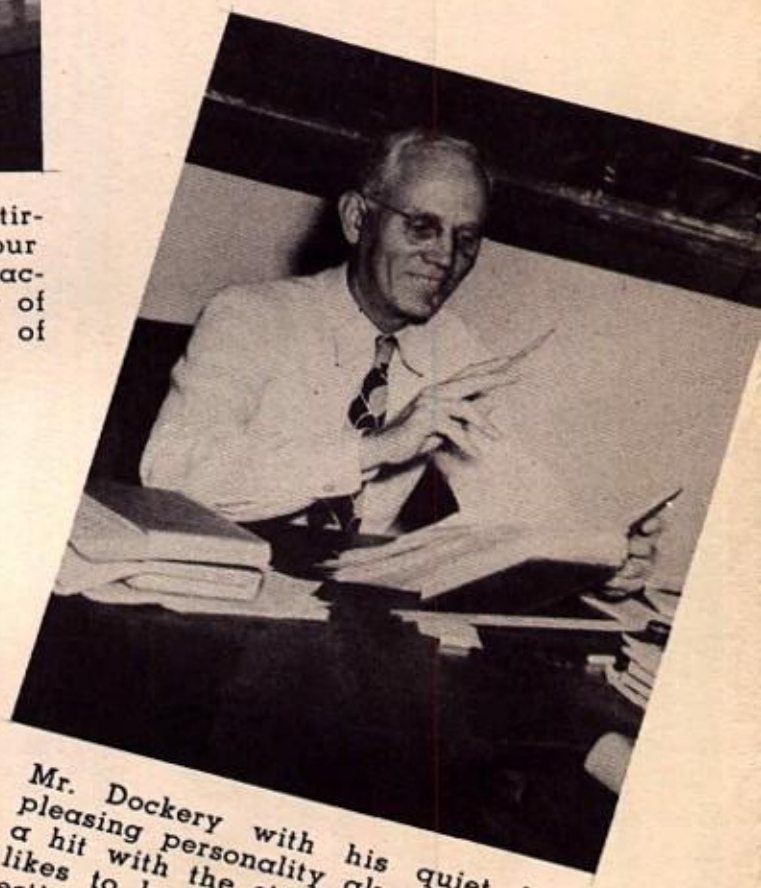


Want to know how to please the customer or make a sale? We know just the man who can tell you. Of course, you know who it is. It's Mr. Bronstad. He's a good guy, and we think he is swell.

Few persons have worked so untiringly or g i v e n so much to our school as Mrs. Bryant in her capacity of yearbook sponsor, sponsor of the Honor Society, and collector of unusual school pets.



Although he stomps his hat and eats grass at the games, he really is a swell guy, and we all know it. When in the class room, history comes alive under his direction. Have you guessed whom we mean? Sure it's our own Coach Dixon.

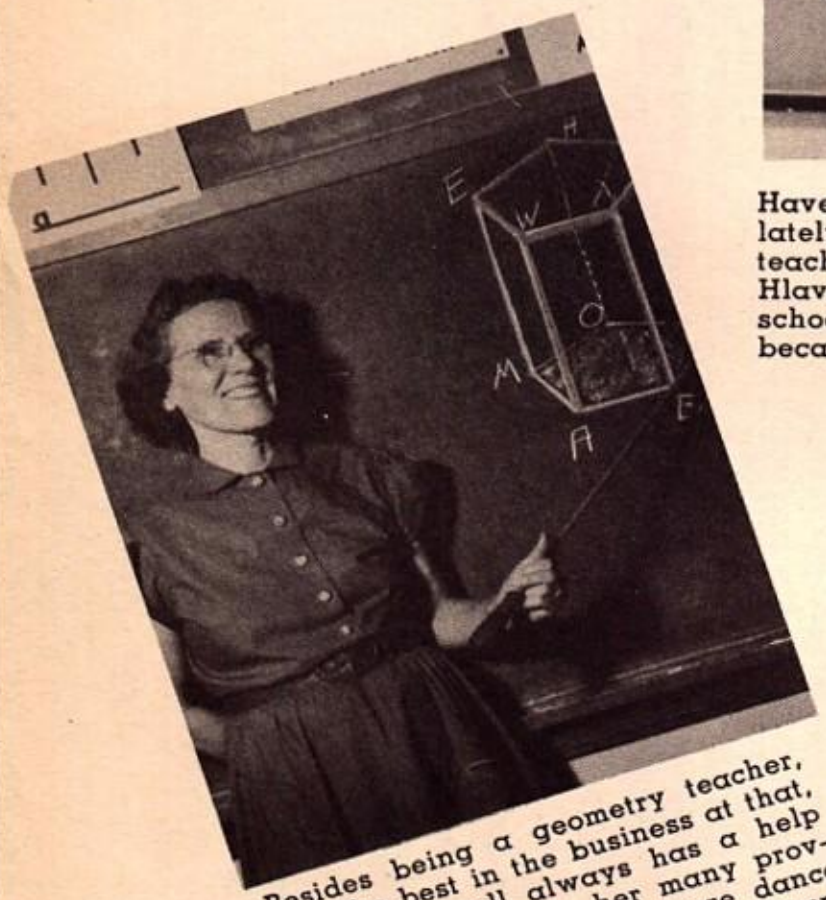


Mr. Dockery with his quiet but pleasing personality always makes a hit with the students. Everyone likes to be in his classes. In our estimation he's one of the best.

Although she has been here only a short while, Mrs. Evans has won her way into our hearts. She was a great help to us in our pep rallies and is a fine gym teacher. Hm—cute too!

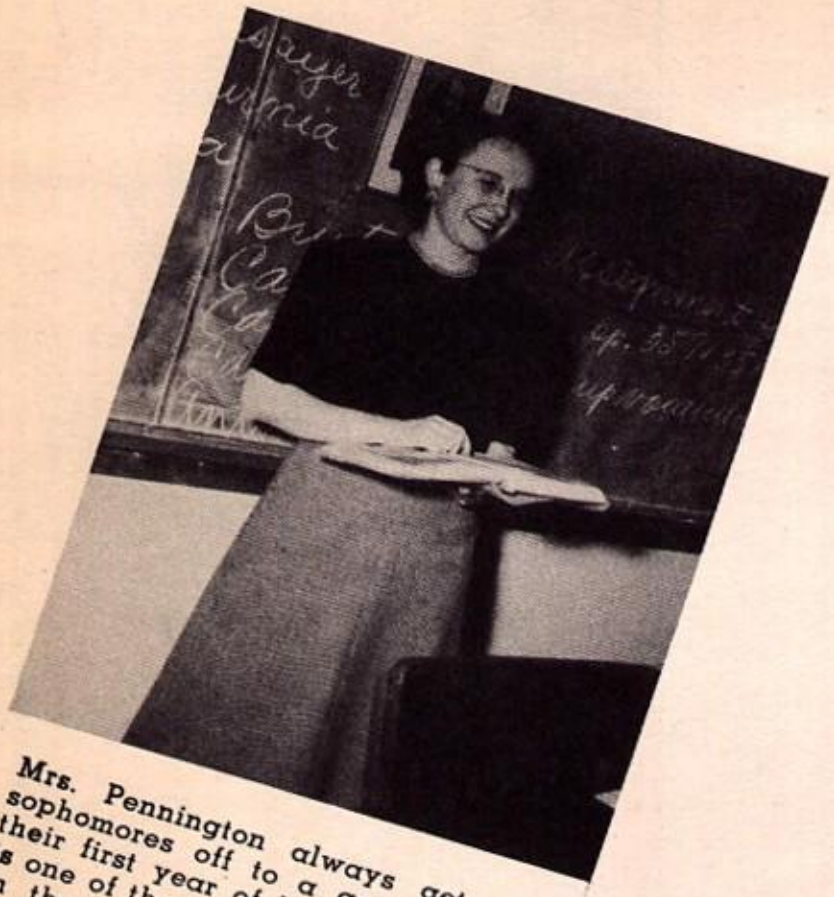
Do you know that quiet, sweet, little teacher in room 206? Well, if you don't, you should. She is the head of the Clothing Department of our school. She is an excellent teacher and has a pleasing personality too. Miss Ford is the one we mean.

Have you been down to room 205 lately? That is where the youngest teacher in V.H.S. is located. Miss Hlavaty has only been with us this school year. We hope she likes it, because we like her lots.

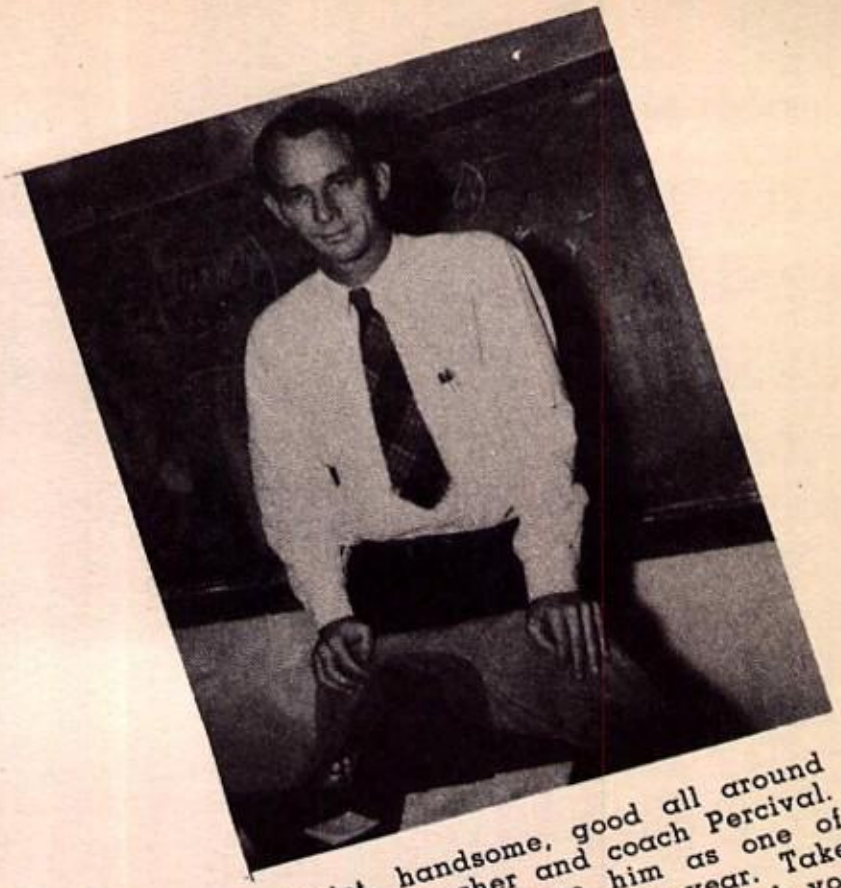


Besides being a geometry teacher, and the best in the business at that, Mrs. McCarroll always has a help or lesson for us in her many proverbs. Her horse and square dance club take up most of her leisure time.

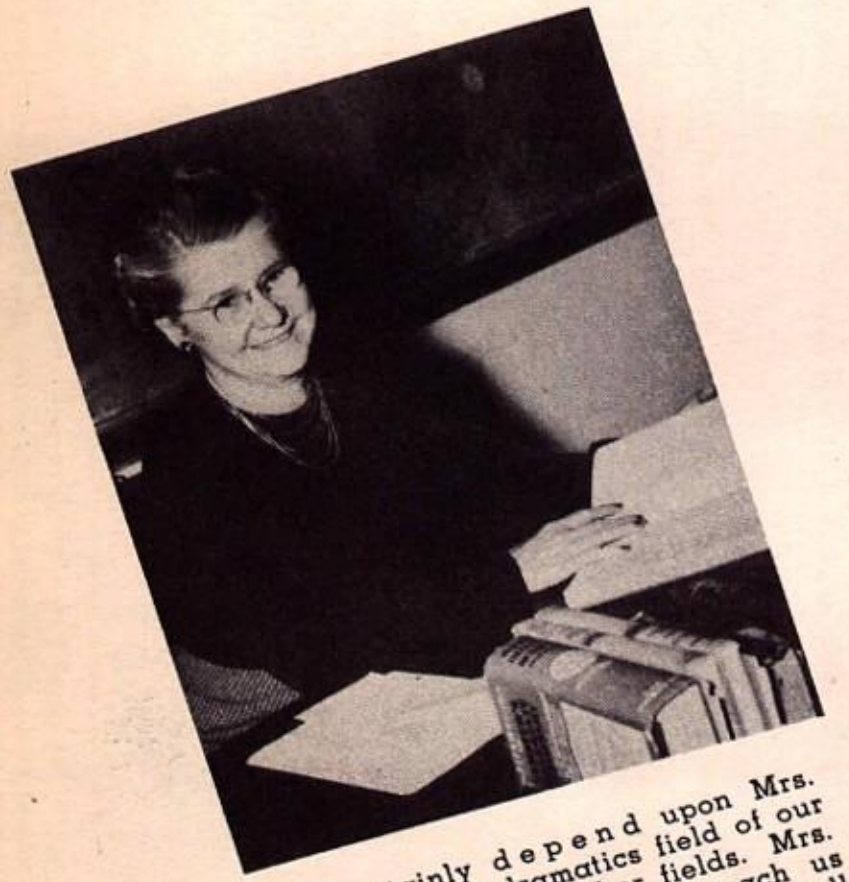
Theres' never a dull moment in Mr. Morlan's classes. There is always something to be blown up or at least something to smell. As head of the chemistry and physics department, he's the best to be found anywhere.



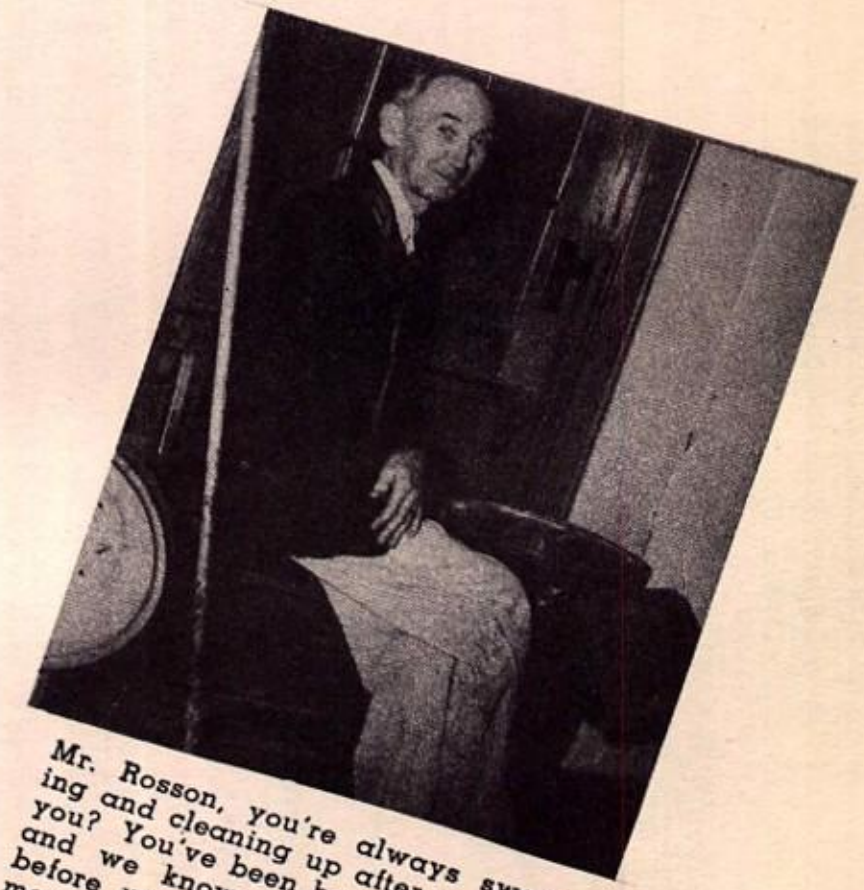
Mrs. Pennington always gets the sophomores off to a good start in their first year of high school. She is one of the most charming persons in the school. Everyone seems to enjoy even Shakespeare in her classes.



Quiet, handsome, good all around guy is teacher and coach Percival. The seniors chose him as one of their class sponsors this year. Take a bow, Mr. Percival. We think you are swell.



We certainly depend upon Mrs. Powell in the dramatics field of our school as well as other fields. Mrs. Powell has been able to teach us lessons in our every day life as well as being an excellent English teacher. She also makes a grand junior sponsor.



Mr. Rosson, you're always sweeping and cleaning up after us, aren't you? You've been here a long time, and we know that those students before us couldn't have loved you more than we do.

In the classroom, in the gym, and on the football field, Mr. Scott is liked by all. The students work for a smile or word of praise from him. Mr. Scott, you deserve all of the admiration the students hold for you.

Mr. Shepherd, you have done a great job through the years with the band, and as a member of the faculty of Vernon High. We know that you started our band when you first came here, and have been directing it ever since. We want to say thanks for everything. We think you're grand.

One of the senior sponsors and a cute one at that is Miss Tidwell. Her specialties are bookkeeping, shorthand, and typing. You know her. She's that gal with the million dollar smile.

Despite the fact that history is usually dull, Miss Watson has managed to make history seem very real and interesting to us all. As sponsor of the Pan-Am and Photography Clubs she has been a great help to many students.

The purpose of the organization of V. H. S. is to stimulate and create interest in outside activities of the school. There are fourteen different clubs representing a varied group of interests of every one in high school. In many cases these clubs prepare the students for the work they are planning to do when they graduate. The D. E. club is a very good example of this. The F. H. A. and Dramatics clubs are also good examples. The purpose of many clubs is the fellowship and entertainment of being together. No matter what the purpose, all the clubs are enjoyed.

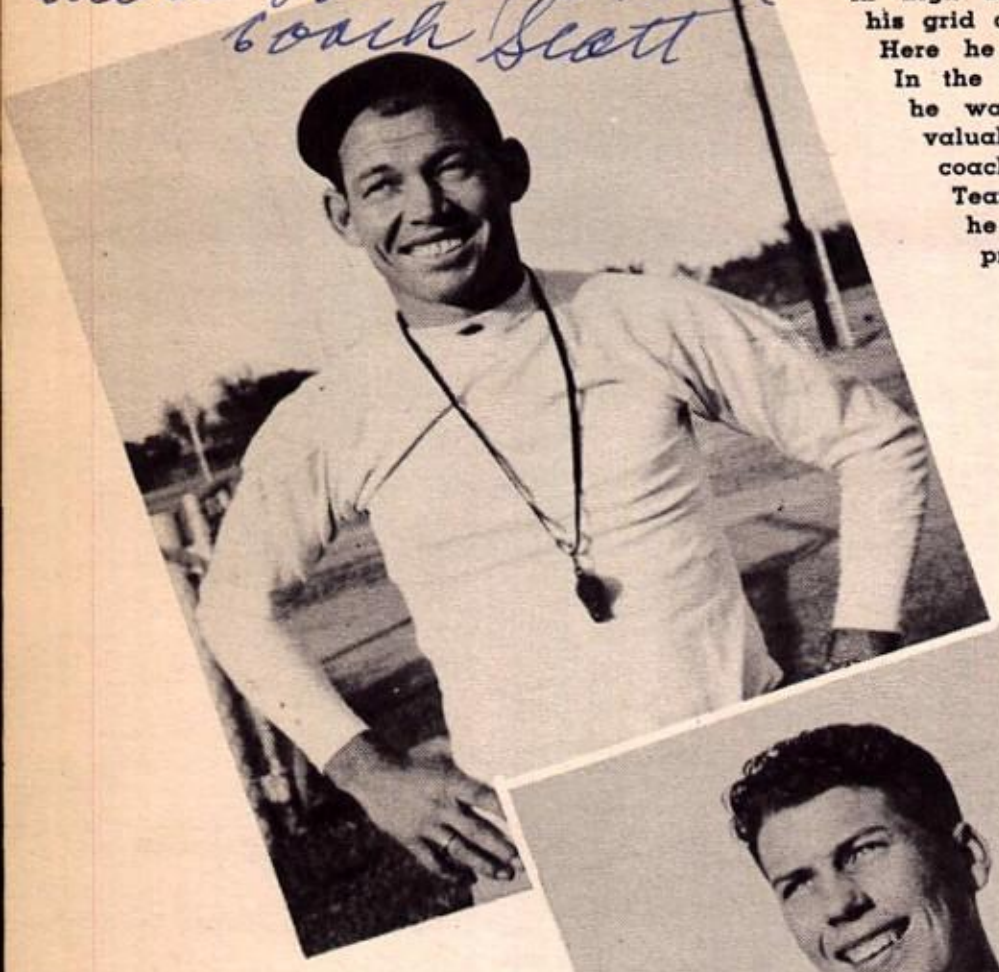
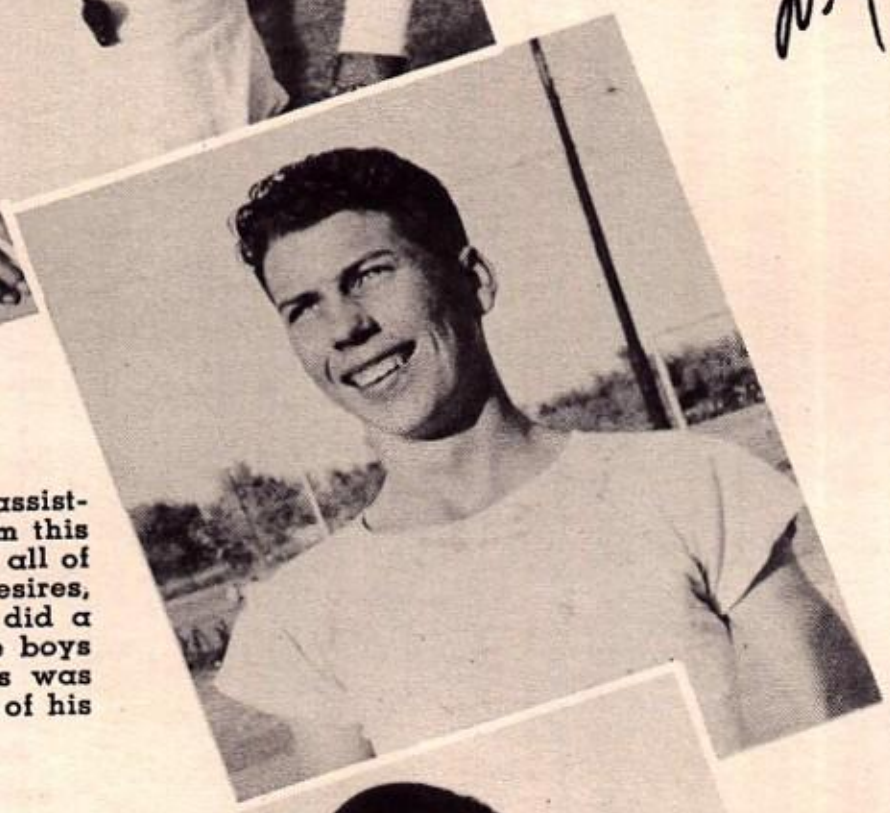
Coach Scott

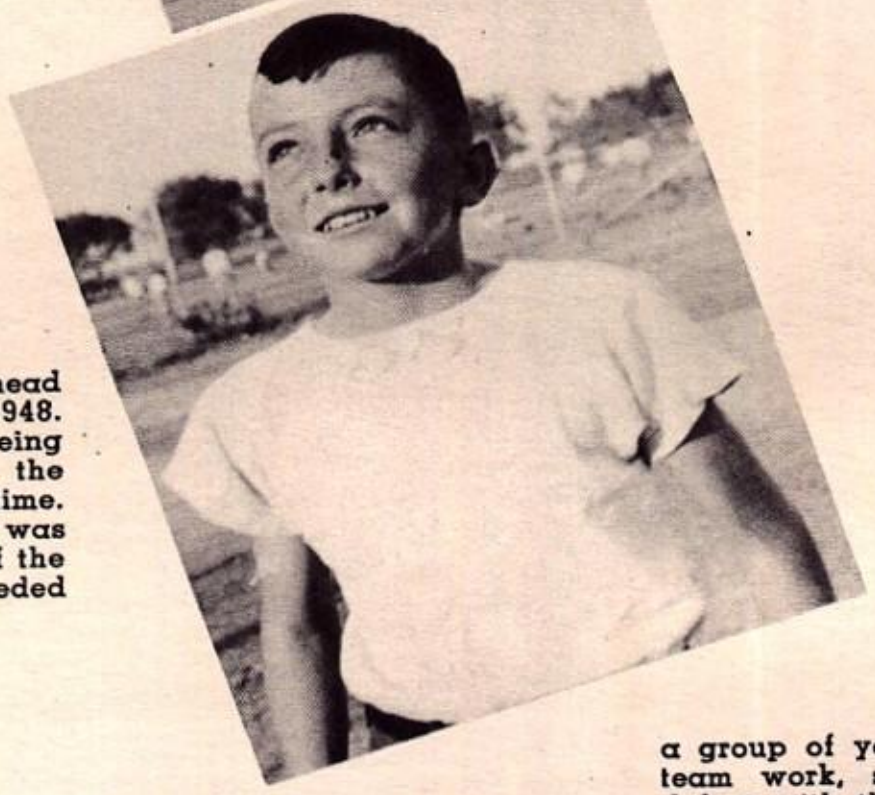


Prince Scott, our assistant coach, had football as his main interest in high school. He continued his grid career at Texas Tech. Here he lettered four years. In the Cotton Bowl in 1939 he was selected the most valuable player. He helped coach the Third Air Force Team in the Army. Both he and Coach Dixon are proud fathers.

Buster Dixon, our head coach, has had plenty of good experience in coaching which was shown so very plainly this football season. He lettered four years in high school football at Ennis, Texas. He then entered A.C.C. where he played for four years. During the war he was on the Army Air Force team at Lubbock for three years and on the Army's Hawaiian Flyers team for one year. We are quite proud of his record of the past two years here at ole' V. H. S.



Richard Bacon was the assistant manager for the team this year. He had to answer all of the boys and their desires, which were many. He did a swell job of keeping the boys in high spirits, and this was the most important part of his job.



Donald Cato was the head manager for the Lions in 1948. He was responsible for seeing that everything was at the right place at the right time. He did a good job and was always there when one of the coaches or players needed him.

Last August 15th fifty-five young men met together for the purpose of building the football team for V.H.S. for the 1948 season. They knew very little about many of the techniques of the game, but through hard work and a determination to overcome these hurdles they accomplished their goal. They were a group of young men who now know the value of team work, sportsmanship, and also how to take defeat with their chins up. They know how to profit by their mistakes! In all, they have learned much from the game of football, and in return these young men have set a standard for the boys to follow that is high in morals and the best in sportsmanship. They have acquired the determination to do their job well no matter what the odds might be.

After graduation from Cache High School, Oklahoma, Coach Percival went to Cameron Jr. College where he lettered two years on the varsity basketball squad. The following two years were spent at Texas Tech where he received two letters each in baseball and basketball.

His next two years were spent as coach of Alton High School; then he went to Wellington for two years where he won one district championship. His next year was spent in the navy, after which he returned to Wellington for two more years, winning one more district championship, before coming to Vernon.

VERNON HIGH BAND

The V. H. S. Band is composed of students who are interested in music and musical instruments from both high school and junior high. Mr. Shepherd organized the band about twenty years ago and has carried it on through the years.

The band went to the annual musical at Denton last year and is planning to attend again this year. Concerts have been given for the Vernon schools and in surrounding communities.

A new addition has been made to the band this year which is a great improvement. This addition is the kettle drums.

The Vernon High Band boosts the school spirit and is a fine representative of our school.

MIXED CHORUS

The Mixed Chorus, composed of students who like to sing is under the direction of Mrs. Ruth Parson. This year it has the largest membership in its short history. There were eighty-eight members at mid-term with other students wishing to become members.

The chorus was organized mid-semester of 1946-1947. Since then it has increased greatly every term. The chorus has entered the district music contest at Denton the last two years, winning "first" rating in class A. They plan to enter class double A this year.

The chorus has given many programs this year—both to the people of Vernon and those of neighboring towns.

A great honor was bestowed upon Mrs. Parson, the director of the Mixed-Chorus. She was chosen the most outstanding citizen of '48 in Vernon.

GOOD BYE 'OL HIGH

We gather once again before the parting
With friends and classmates we shall ne'er forget;
We think of days gone by,
And years that seem to fly,
Since on the threshold of our school we met;
We know not what the future holds before us,
We cannot know the things that are in store,
But, 'ol high, you have the way,
We're ready come what may,
Our happy, happy school days now are o'er.

Good bye, 'ol high, the play is o'er and the curtain falls;
Good bye 'ol high we pass today from your well-loved halls
Good bye, 'ol high, our smiles, our tears, our hopes and fears
Throughout these happy, golden years
We're all for you.

Newman Young

Well, it's that time again when we of the Annual Staff close up shop for another term. Our "Shut the Window" sign can be removed from the door and our dead-line notations on our blackboard may be erased.

We've had fun as well as work in that little Annual room. Many times our fingers were too cold to paste up layouts because that radiator wasn't large enough to warm the place. Many more times, we've literally "sweated blood" over having to retake your pictures.

We've "eaten" our way through pleasant sessions with our engraver's representatives—but it was worth it.

Words alone are inadequate to express our appreciation for having had the opportunity and privilege of creating your year book. We'd like to apologize in advance for any unintentional mistakes that might have crept into the volume. We've been told repeatedly that there is "no perfect annual".

We hope you enjoy your book as much as the staff has enjoyed compiling it. We've given you our best efforts and to the Seniors of Vernon High School, whose last high school year book it will be—here's hoping it is your best.

Your Staff

BOOSTER'S CLUB

We, the 1949 Yamparika staff, wish to acknowledge the assistance of our many advertisers.
Your loyal support has made this production possible, and we are grateful to you.
